

SURVIVE | THRIVE | REVIVE - New Networks for Nature 2022

3-5 November 2022, St Peter's School, York

Programme

This is the provisional programme for the 2022 New Networks for Nature event in York outlining the content and contributors for each day. We still have a few additional contributions we hope to add and there will, as always, be an excellent bookstall, good food and drink, and lots of opportunities for meeting and conversation. We look forward to seeing you there.
